

BIFM Facilities Management Career Pathway

Membership grades

BIFM's Membership grades provide credentials to signify professional experience and credibility in FM.

Membership grades are awarded upon assessment of the level and length of experience in facilities management and the qualifications held. They provide professional recognition at key stages as the individual progresses his/her career.

Professional FM Qualifications

BIFM Qualifications in Facilities Management are flexible and individuals can start at any level, they do not have to work up through the levels.

Programmes are delivered through face-to-face, evening classes, online or distance learning.

-  Award
-  Certificate
-  Diploma
-  Extended Diploma
